

Move. Tow. carry. Haul.

Shown with optional equipment.

Payloader

Versatility is the Payloader's middle name.

Choose from two available bed lengths with standard rated capacities that range from 2400 to 5200 lbs. If you need to tow, the Payloader has you covered all the way up to 7 tons.

Maintenance free batteries, van bodies, operator cabins and folding side rails are just the beginning of a very long list of available options.

Need to carry or tow more? Have a unique application requirement? Don't worry, Columbia will custom build a Payloader for you; like we've been doing for more than 60 years now. Just let us know what you want.

Perfect For:

- Manufacturing
- Maintenance
- Airports
- Wherever you need a versatile, powerful performer
- Distribution Centers
- Government Facilities
- Colleges / Universities

Long bed model shown in white.

Shown with custom compartment for welding tanks.
