Lowered Fork Height	1.375"	2"	2"
Raised Fork Height	4"	5.5"	5.5"
Fork Width	6.5"	6.5"	6.5"
Weight	170 lbs.	170 lbs.	180 lbs.
Steer Wheels	6"	6"	6"
Load Rollers	1.375"	2"	2"
Wheels/Rollers	Poly/Steel	Poly/Steel	Poly/Steel

## Description

The **CJ22S (super low) & CJ33L (low) Profile Pallets Jacks** feature lowered heights for handling conventional pallets, skids and containers that are too low for the standard 2.9" lowered height of a standard pallet jack. The **CJ33M4 (4-way)** is designed to handle 4-way pallets at the same lowered heights and wider widths. All offer the same durability and versatility and ease of use as the standard CJ55.

## Standard Features

### Frame

- Rugged Heavy Duty Frame constructed of one-piece formed channel steel offering light weight strength.

### Forks

- Reinforced for added strength with tapered ends for easy pallet entry.

### Paint

- All of the Low Profile Pallet Jacks boast a quality Powder Coat finish.

### Hydraulic Pump

- Quality design complete with a special lowering valve allowing controlled rate of descent, and an overload bypass valve.

### Handle

- Featuring a reinforced base, the spring-a-matic handle returns to the upright position automatically.

### Pump Stroke

- Features a full 90 degree top to bottom stroke requires only 10 strokes to raise the forks to the maximum lift.

### Control Handle

- The control handle has three positions (raise/neutral/lower) fingertip control. Ergonomically designed and free of pinch points.

### Load Rollers

- Features 2" polyurethane rollers with sealed bearings.

### Steering

- Featuring 200 degree pivot action for greater maneuverability with 6" polyurethane wheels, sealed bearings and "Ball-Thrust" steering.

### Push Rods

- The adjustable push rods allow for individual adjustment capability of either fork height.

### Hangers

- The one piece hangers are constructed of Iron Cast for greater strength and longevity.

### Pivot Points

- The CJ22SL, CJ33L & CJ33M4 features grease fittings and bushings at all pivot points for easy maintenance.
